

TOP AIR[®] ISO-BUS Auto-Height Control

Adding auto-boom height control has never been easier.

OEM/GPS Tractor Monitor

John Deere- Green Star Monitor

Case-IH- Pro 600 Monitor

AGCO- Falcon Monitor

Trimble- AgGPS FmX

Boom Node & Hydraulic Block

OEM Rate Control Node

Now you can use what you already know, your tractor's monitor, to control the auto-boom leveling on your Top Air Sprayer. With the ISO-BUS conversion kit available from Top Air and Raven, simply plug in, use your monitor to program and go spray!
