

TOP AIR[®] 3-POINT SPRAYERS

*Big-boom performance with
3-point maneuverability*

400-/600-GALLON

400-Gallon

600-Gallon

400-/600-GALLON 3-POINT SPRAYERS FEATURES AND BENEFITS

- Equipped with either 400-gallon or 600-gallon capacity solution tank and a 50-gallon rinse tank.
- Hydraulic drive centrifugal pump and electric agitation control.
- Standard 90' hydraulic bi-fold, self-leveling boom with 3- or 5-section boom shutoffs.
- Patented outer wing breakaway quickly returns to spraying position should it come into contact with an obstruction.
- Compact design and fold for narrow transport width and height, along with standard parking stands for easy storage.
- Slow-moving vehicle sign, lights and reflective striping for safer road travel.
- Nozzle spacing available in 15" or 20" to meet the needs of different operations.
- A 63" hydraulic vertical height control for easier spraying of taller crops.
- Powder-coated frame and boom for a long-lasting, high-quality finish.

Options

- Foam marker gives you precise spraying pass after pass
- Chemical inductor for easily introducing chemicals into the tank
- Fence row nozzle kit for easily spraying along the end rows
- Rear hitch
- FLO-BAK® ball valves for instant shut-off
